

Funds Available for Members' Travel to Promote SALIS

In May 2013 the SALIS Board approved a new policy offering support to SALIS members who attend a professional conference or meeting to promote SALIS and SALIS projects. Up to two Travel Grants of up to \$200 each will be offered per year.

Eligibility: Membership in SALIS for at least two years;; and presentation of a paper or poster about SALIS or a SALIS project at the meeting.

To apply: Applicants should submit a brief statement about the event and the value of the presentation for SALIS to SALIS Home (salis@salis.org), which will forward the application to the SALIS Board for approval. Prior approval by the SALIS Board is required; please allow two weeks for the Board to review and approve.

Awards: The award is in the form of reimbursement for expenses. Recipients will submit receipts for payment of travel, registration, or other expenses related to the event to SALIS Home, which will issue a check for reimbursement in the amount approved by the Board (up to \$200).

Report: After the event, awardees will provide a brief report for publication in SALIS News. A copy of the presentation slides or poster should be provided, which may be made available to other SALIS members.
