National Institute on Alcohol Abuse and Alcoholism
301-443-2857
<http://www.niaaa.nih.gov>

The National Institute on Alcohol Abuse and Alcoholism (NIAAA) is one of the 27 institutes and centers that comprise the National Institutes of Health (NIH). NIAAA supports and conducts research on the impact of alcohol use on human health and well-being. It is the largest funder of alcohol research in the world.

National Institute on Drug Abuse
6001 Executive Blvd.
Rockville, MD 20852
<http://www.drugabuse.gov>

NIDA's mission is to lead the nation in bringing the power of science to bear on drug abuse and addiction. To that end, NIDA not only seizes upon unprecedented opportunities and technologies to further the understanding of how drugs of abuse affect the brain and behavior, but also is working to ensure the rapid and effective transfer of scientific data to policy makers, drug abuse practitioners, other health care practitioners, and the general public.
